MEMORANDUM FOR : Chief, Administrative Staff, Development Projects Division  
SUBJECT : Cafeteria Service, New Building  
REFERENCE : Relocation Bulletin No. 7, dated 23 August 1961; Subject:  
"Food Service"

1. The referenced bulletin prompted me to ask you if you have any ideas on what provisions could be made in the cafeteria to handle meals for personnel in the Ops Control Section working shifts during operations. In the first place I assume that there will be no meals served on Saturday and that the only meal served at any time will be the noon meal.

2. I mentioned this subject some months ago to Colonel White who said at that time that the schedule for the cafeteria had not been firmed up and that he hoped we could make some arrangement. As you know, 90 percent of what we are involved in happens on weekends, and I get indigestion thinking about all the ops people getting indigestion eating prefabricated sandwiches from vending machines night and day.
